THE REGISTER OF PRIVATE COLLEGES [UPDATED ON 5 JANUARY 2026]

This document serves as the Register of Private Colleges and is published in accordance with Regulation 15(3) of the *Regulations for the Registration of Private Further Education and Training, 2007*.

IMPORTANT NOTE TO THE PUBLIC AND MEDIA

The Department of Higher Education and Training (the Department) recognises that the information contained in the Register of Private Colleges is of public interest and that the media may wish to publish it. In publishing it or disseminating it the following must be borne in mind. In terms of the Government Gazette No. 43007 of 7 February 2020 private colleges proposing to offer or offering Occupational Qualifications, such as N4 – N6 Business and Engineering Studies, and Skills Development Programmes, better known as Sector Education and Training Authorities' (SETAs) programmes, are exempted from registration with the Department but are obligated to acquire accreditation with the Quality Council for Trades and Occupations (QCTO) or with the SETAs as delegated by the QCTO in order to operate within the parameters of the law. Therefore the Register of Private Colleges caters only for the private colleges that offer National Certificate: Vocational NC(V) programmes and Adult Education and Training (AET). Recognising that students may have unresolved complaint(s) against any of these private colleges, such unresolved complaints may be escalated to the Department using the email: PCComplaints1@dhet.gov.za.

However, N1–N3 has been phased out, and private colleges are no longer permitted to offer these programmes, as stipulated in Government Gazette No. 49518, published in August 2023.

INTRODUCTION

The Register of Private Colleges comprises of two sections. The two sections are **A and B**.

Section A lists all private colleges whose registration has been cancelled due to failure to maintain their registration and or have requested to be cancelled for reason(s) shared with the Department. Should these private colleges be operating and purporting to be offering (NCV) and (AET) programmes/qualifications, they are doing so illegally. Students are advised not to enroll or part with money for any of the part-qualifications and or programmes /qualifications cited herein as they will not sit for examinations nor be certificated.

Section B shows, among others, names of registered private colleges, qualifications they are registered for, their NQF (National Qualifications) Levels and sites of delivery.
