# About Northlink College

Northlink College is one of only 50 TVET colleges in South Africa, with seven campuses serving Cape Town, surrounding areas, the rest of South Africa, and beyond.

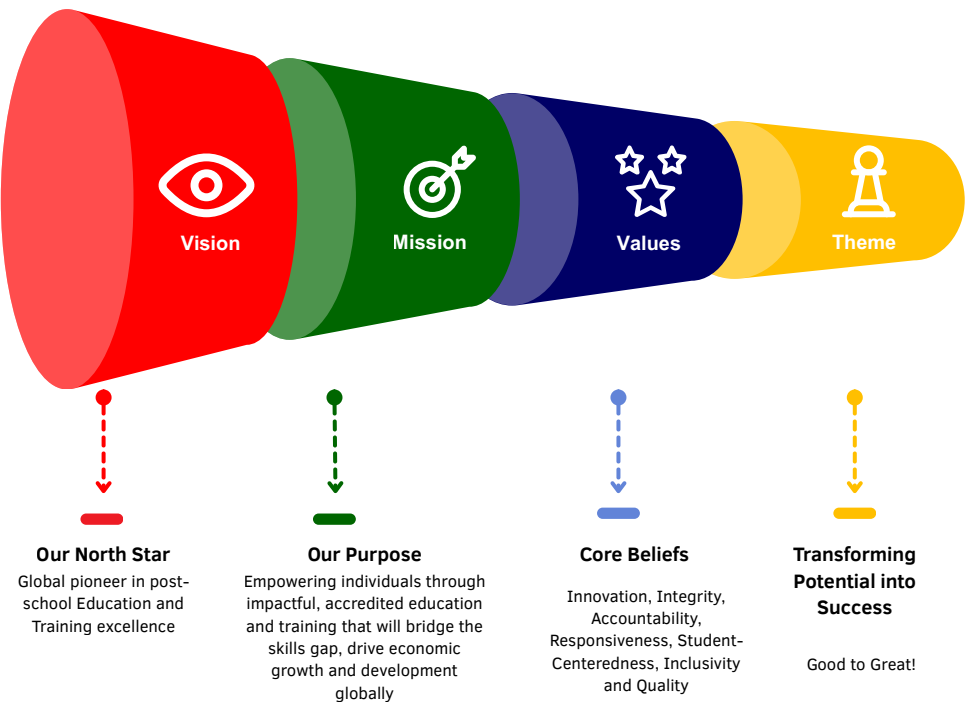

We combine innovative teaching practical training, and strong engagement with industry partners to equip graduates with skills that are relevant locally and globally.

Through our QCTO-accredited Occupational Programmes, students experience transformative, industry-aligned learning that seamlessly integrates theory, hands-on practice, and workplace experience—preparing them to be career-ready and globally competitive.

At Northlink College, we empower individuals through impactful, accredited education and training that bridges the skills gap and drives economic growth and development globally. As a global pioneer in post-school education and training excellence, we are committed to Innovation, Integrity, Accountability, Responsiveness, Student-Centeredness, Inclusivity, and Quality—guiding students on a journey from Good to Great!

## Business Pillars

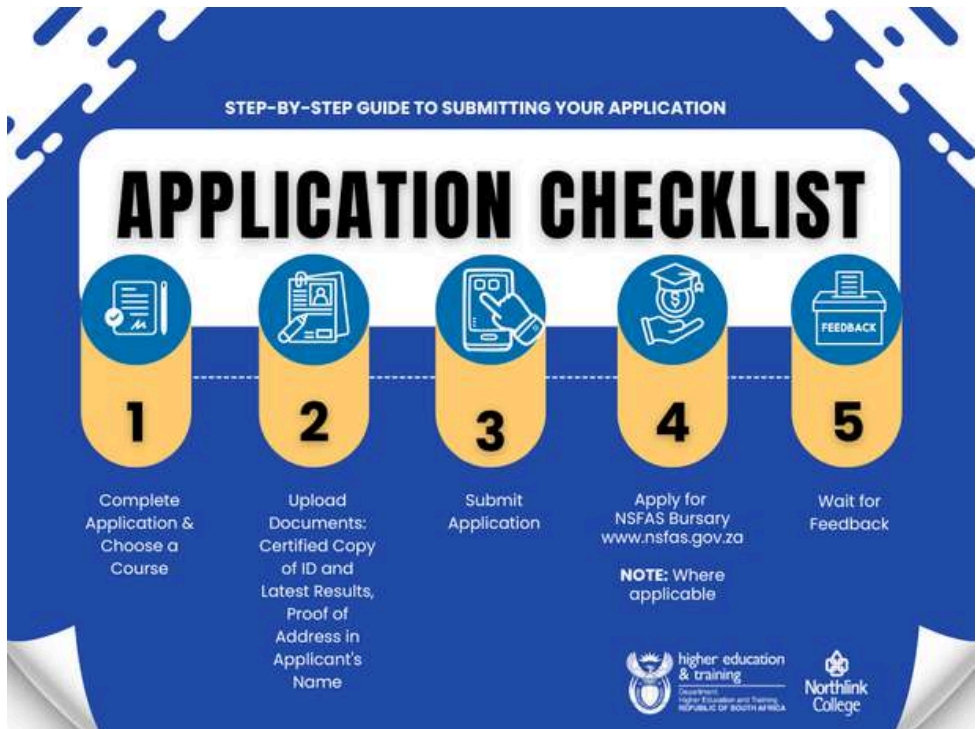

A clear path from purpose to long-term impact

Apply for NSFAS bursaries and check eligibility criteria at: [www.nsfas.org.za](http://www.nsfas.org.za)

# START YOUR JOURNEY

## *Reasons to choose Northlink College*

### **Accredited Programmes**

*We offer a variety of recognised programmes tailored to meet industry demands and student aspirations.*

### **Qualified Staff**

*Our staff complement consists of experienced professionals who are dedicated to student success and mentorship.*

### **Strong Industry Connections**

*Our partnerships with leading companies ensure students gain valuable insights and opportunities in their fields.*

### **Work-Integrated Learning**

*Students participate in real world practical experiences, bridging the gap between theory and application.*

### **Innovative and Future-Focused Learning**

*Programmes provide practical skills, hands-on experience, and knowledge relevant to current and emerging industry needs.*

### **Well-Resourced Campuses**

*Our campuses are equipped with modern facilities to support innovative learning experiences.*

### **Student Support Services**

*We provide guidance, counseling, and support services to help you succeed both academically and personally.*

### **Geographical Location**

*Centrally located campuses with convenient access to transport routes and surrounding communities.*

### CAREER OPPORTUNITIES

- International Welding Practitioner
- International Welding Specialist
- Welding Inspector: Level 1
- Welding Inspector: Level 2

# SHORT SKILLS PROGRAMMES

## (QCTO PART QUALIFICATION)

---

### OVERVIEW:

1. CNC Milling Machinist
2. CNC Turning Machinist
3. Small Domestic Appliance Repairer
4. Solar Photovoltaic Standalone System Mounter

# SHORT SKILLS PROGRAMMES

## (QCTO PART QUALIFICATION)

### CNC Milling Machinist

#### QUALIFICATION

Occupational Certificate: CNC Milling Machinist

#### PROGRAMME OVERVIEW

- Campus: Wingfield
- Level: NQF Level 4
- Credits: 148
- Duration: 1 Year
- Mode of Delivery: Theory and Practical
- Accreditation: QCTO

#### ADMISSION REQUIREMENTS

- Grade 9 Passed
- Age 16 years or older

#### DOCUMENTS REQUIRED

South African ID (certified) | Proof of Address |  
Latest Academic Results (certified)

#### SELF-FUNDED

Full course fees payable by the student. Flexible payment options available.

#### CAREER OPPORTUNITIES

- Fitter and Turner
- Toolmaker
- Millwright
- Advanced CNC Programming and CAD/CAM specialist
- Supervisor / Production Manager in manufacturing
- National Diploma or Degree in Mechanical/ Manufacturing Engineering
- Specialist in Robotics
- Specialist in Additive
- Manufacturing (3D Printing)
- Precision Engineering Specialist

### CNC Turning Machinist

#### QUALIFICATION

Occupational Certificate: CNC Turning Machinist

#### PROGRAMME OVERVIEW

- Campus: Wingfield
- Level: NQF Level 4
- Credits: 139
- Duration: 1 Year
- Mode of Delivery: Theory and Practical and Workplace
- Accreditation: QCTO

#### ADMISSION REQUIREMENTS

- Grade 9 Passed
- Age 16 years or older

#### DOCUMENTS REQUIRED

South African ID (certified) | Proof of Address |  
Latest Academic Results (certified)

#### SELF-FUNDED

Full course fees payable by the student. Flexible payment options available.

#### CAREER OPPORTUNITIES

- CNC Turning Operator
- CNC Programmer / Setter
- Precision Machinist
- Tool and Die Maker
- Maintenance Machinist
- Quality Control Inspector (Machining)
- Production Supervisor / Team Leader (with experience)
- Manufacturing Technician
- CAD/CAM Technician (with further training)
- Entrepreneur (owning or managing a machining workshop)

# SHORT SKILLS PROGRAMMES

## (QCTO PART QUALIFICATION)

### Small Domestic Appliance Repairer

#### QUALIFICATION

Occupational Skills Certificate: Small Domestic Appliance Repairer

#### PROGRAMME OVERVIEW

- Campus: Wingfield
- Level: NQF Level 3
- Credits: 45
- Duration: 10 Weeks
- Mode of Delivery: Theory & Practical
- Accreditation: QCTO

#### ADMISSION REQUIREMENTS

- Grade 10 / NQF Level 2 Pass with Mathematics or Mathematical Literacy

#### DOCUMENTS REQUIRED
